

Mission, Vision & Values

- **Our mission**

is to be a leader in the creation, development and management of infrastructures, energy and water; contributing actively to social well-being, sustainable development and the creation of value for our stakeholder groups

- **Our vision**

is to meet the challenge of achieving sustainable development in all our business areas, so that the generations of today and the future will have a better life

OUR VALUES

- **Honesty:** We want transparency, dialogue and participation to be the hallmark of our activities.
- **Leadership:** We believe that innovation and foresight will allow us to be pioneers and leaders in future trends in all aspects of our business activity.
- **Excellence:** ACCIONA aims to set the benchmark in the markets where it operates.
- **Environmental concern:** ACCIONA's products and services avoided a total of 6.8 million tonnes of CO₂ emissions in 2008, 5.6% more than in 2007.
- **Social responsibility:** ACCIONA's commitment to sustainable development is reflected in its position as leader in its sector in the Dow Jones Sustainability Index.
- **Long-term view:** Our pledge to sustainability reflects our search for solutions and business models for the future.
- **Financial strength:** We guarantee profitability and reliability, not only for our shareholders but also for society in general.
- **Customer focus:** Our customers' satisfaction is one of the fundamental principles of our commitment to excellence.
- **Innovation:** Innovation is one of ACCIONA's strategic pillars.
- **Care for people:** Our system is based on integration and equal opportunities. We create a work environment that promotes professional development and respect for our employees' personal lives, as well as their health and safety.
